

MACA Manaia Harbour Hearing Overview

1. Hearing Area

The Manaia Harbour Hearing was proposed by Ngāti Pūkenga in May 2023. Ngāti Pūkenga has discrete application areas in Whangārei, Western Coromandel and Bay of Plenty. The Western Coromandel portion of their application is shown in the map below as a light blue line. Initially, Ngāti Pūkenga sought to have that portion of their application determined in a single hearing.

A case management conference was convened¹ in December 2023 to develop the proposal. A reduced hearing area involving just Manaia Harbour and its approaches (highlighted in yellow below) was broadly supported. Following the conference, a three-week hearing for this area was allocated by Churchman J.²
