[3] There are three applicants who are self-represented who have not responded to the minute of the Court (No. 2) of 2 May 2019. They have not filed maps of the area to which their claims relate, nor any memoranda detailing the current status of their claims. The Registrar has been unable to contact them to clarify their current position. They are:

- (a) CIV-2017-485-183: (Te Kaahui o Rauru Trust).

If they do wish to continue with the claims, the memorandum should detail what steps they have taken to prepare their claims for hearing, including whether or not they have engaged an historian and how far advanced they are with the preparation of evidence and maps outlining the area to which their claim relates.

[5] The participation of all counsel who have filed memoranda in relation to the case management conference on 24 June 2019 is excused. If any of the parties who have not filed memoranda and who have not been able to be contacted, turn up at the Court on 24 June 2019, the case management conference will proceed by way of AVL link with the High Court at Wellington.
