Judgment:                    26 May 2014

**JUDGMENT OF THE COURT**

---

**The application for recall is dismissed.**

---

**REASONS**

[1]     The applicant seeks recall or correction of a judgment of this Court delivered on 1 May 2014 dismissing his application for leave to appeal against a judgment of O'Regan P.<sup>1</sup> The basis of the application is the contention that the judgment “failed to address the legal question on which leave to appeal to the Supreme Court was sought”.

[2]     The judgment at [4] addressed, albeit in slightly different terms, the legal question identified by the applicant. That question was not determined but this is a necessary function of the leave application being dismissed. The recall application is therefore, in substance, simply a reiteration of the argument made in support of the application for leave to appeal.

[3] The application is accordingly dismissed.
