

IN THE SUPREME COURT OF NEW ZEALAND

SC 58/2015
[2015] NZSC 123

BETWEEN MALCOLM EDWARD RABSON
Applicant

AND REGISTRAR OF THE SUPREME
COURT
First Respondent

MINISTRY OF JUSTICE
Second Respondent

Court: Glazebrook, Arnold and O'Regan JJ

Counsel: Applicant in person
K Laurenson for the Respondents

Judgment: 4 August 2015

JUDGMENT OF THE COURT

The application for recall is dismissed.

REASONS

[1] Mr Rabson applies for the recall of this Court's decision of 24 July 2015,¹ dismissing his application for leave to appeal against a decision of Randerson J which upheld a decision of the Registrar of the Court of Appeal refusing to dispense with security for costs.²

[2] Mr Rabson essentially seeks to relitigate one of the same points the Court dealt with in its judgment. Nothing submitted provides grounds for the recall of our decision.

¹ *Rabson v Registrar of the Supreme Court* [2015] NZSC 113.

² *Rabson v Registrar of the Supreme Court* [2015] NZCA 129.

[3] The application for recall is dismissed accordingly.
